

1. I/we hereby permit my/our child, _____, who is a minor, to attend Summer Camp at Campground Baptist Church and to fully participate in the activities offered for his or her age group. I have read the above rules and regulations with my child, and by signing this agreement, my child and I will abide by these rules, and I understand the risks, rules, responsibilities, and liabilities listed above. I am aware of the inherent risks of being on camp property and attending off-site events/activities. In an emergency or sickness, I/we authorize Campground Baptist Church to secure medical treatment for my/our child to be administered by authorized agents or agencies designated by.

2. I/we authorize Campground Baptist Church to administer those medications to my/our child, which are indicated on this form according to the prescribed directions for each. If spaces are left blank, Campground Baptist Church WILL NOT dispense that particular medication unless a physician or parent/guardian is contacted for approval. (Our camp nurses can treat emergency medical conditions; call AMR; take campers to the hospital; and will also notify parents/guardians. We can provide first aid for simple needs (unless prohibited by the form); we will administer routine medications and would prefer the original container.)

3. I/we agree to allow Campground Baptist Church to use any photographic image or video taken of the named camper for promotional/marketing purposes.

4. I/we understand payment for medical bills for my/our child is my/our responsibility, and the camper's family insurance plan is responsible for injuries and sickness at camp. Campground Baptist Church does NOT require that a guest is insured while at camp. I understand that my personal insurance coverage will be the primary coverage. No additional coverage is provided by Campground Baptist Church. I agree to release any records necessary for treatment, referral, billing, or insurance purposes.

5. I/we agree to waive and release Campground Baptist Church its employees and volunteers from any claim or cause of action that might arise on behalf of myself/ourselves or my/our child as a result of his or her participation in this event. I have discussed with my child all camp rules, and my child agrees to obey all the camp rules and to cooperate with adult leadership camp staff and other campers fully.

Furthermore, I/we agree that if, in the judgment of the adult leadership or camp staff, my child becomes a discipline problem, my child may be sent home. I agree to assume all responsibility for my/our child's actions, including, but not limited to, the cost of repair or replacement for items damaged by willful abuse of my/our child and /or transportation costs, should it become necessary for my/our child to be sent home for medical or disciplinary reasons before the conclusion of this event.
