

# AUGUST TABLE TALK DICE

Roll the dice and answer the question that corresponds with the number on your dice.  
Look for a new sheet each month!

“In the same way, let your light shine before others, that they may see your good deeds and glorify your Father in heaven.”  
Matthew 5:16

						
	What is your favorite way to keep cool in the summer?	What is one thing you have prayed about recently?	Did you read any books this summer? What was your favorite?	What two items would you grab if your house was on fire?	What state would you like to visit?	If your life got “stuck” at one age, what age would you choose?
	What are you looking forward to in going back to school?	What do you need prayer for?	Are you a night owl or an early bird? What do you like best about it?	Which do you like to play with most: Play Doh or Slime?	What qualities about your mom/dad do you hope to have when you get older?	If you had to live in another country, which one would you choose?
	Do you like to pack your school lunch or buy from the cafeteria?	Did you go on a vacation this summer? Where did you go?	What do you like best about your brothers or sisters? Be nice!	What does faith mean to you?	Do you know how much your family loves you? How can you tell?	Would you rather be a great musician, athlete, scientist, artist, or writer?
	What are you most nervous about in going back to school?	If you could choose a vacation location for your family, where would it be?	Which is more important: what you say or how you say it?	What is the Trinity?	If you had a friend who was sick, what are three things you could do to brighten their day?	Would you rather live in the country or the city? Mountains or beach? Cottage or apartment?
	What is your favorite smell in the whole world?	Describe what you’d like your life to be like five years from now.	What is your most embarrassing moment?	What do you think is the best invention of all time?	If you had the mic in KIDZ Church or the Worship Center and could say anything, what would you say?	If you could stay up all night, what would you do?
	What is the worst smell in the whole world?	If you had to choose now, what job would you like to do when you grow up?	What instrument do you think would be fun to play?	If you could invent something to make life easier, what would it be?	If you were president, what are three things that you would change about the country right away?	If you had to gain 10 pounds, what would you eat to gain the weight?
