

OCTOBER TABLE TALK DICE

Roll the dice and answer the question that corresponds with the number on your dice. Look for a new sheet each month!

“The earth is the Lord’s and everything in it, the world and all who live in it.”
Psalm 24:1

						
	Do you remember a favorite book from when you were younger?	What is your most favorite fruit?	If you could start a club, what type of club would you start?	What is the most interesting thing you have learned so far this year at school?	Of all the words or phrases you use, which is your favorite to use?	What sound can you imitate best? Show your family now!
	What is your least favorite class at school? Why?	What is your most favorite vegetable?	If you could be one inch tall for a day, what specific place would you like to explore?	Do you know any knock-knock jokes? Share them with your family.	If you were creating a movie about toys coming to life, what type of toy would be the main character?	If you could paint a giant mural on the ceiling of your room, what would you paint?
	What do you like best about fall?	If you could make just one change about the place you live, what would it be?	Which would you rather be: really strong, really fast, or really tall?	If you were a teacher, what are three rules you would insist your students obey?	What is your favorite sight, scent, and sound for each of the four seasons?	When you meet someone new, what is one thing you usually want to know about them?
	Do you like to be alone or with a crowd?	If the spirit of one holiday could last all year long, which holiday would it be?	If you could have a year's supply of cotton candy in any flavor, what flavor would you choose?	What cartoon character do you think would be most fun to hang out with for a day?	If you could enter a food-eating contest, which food would you be the happiest to eat?	What do you think adults miss most about being a kid?
	Do you know of anyone who is sick that you could pray for? Do it!	What is the most dangerous thing you have ever done?	If you could create a new candy bar, what would you name it and what would be inside it?	If you could carve any image you wanted into the side of a mountain, what would it be?	What is the silliest thing you have ever done?	If you won \$1,000 as part of a contest, how would you spend the money?
	If you met a 100 year old person, what question would you ask them?	Dogs wag their tails when they are happy. What is something that makes you feel happy?	In your opinion, what is the greatest thing ever invented or discovered?	What do you think you will look like in ten years?	What quality do you look for in a friend?	In your opinion, who has the funniest-sounding sneeze?
