## A RICH RABBIT TRAIL | WK2

### THE TEXT | *Ephesians 3:1-13*

**PLAY | BOULDERDASH** | Have some family time playing this classic game. Don't have Boulderdash? Simply look up some words that no one is likely to know the definition. Have everyone write a made up definition, designed to fool others, collect them, add in the correct definition and read them out loud. Players vote for the one they think is real. 2 points for a correct guess. 1 point for fooling someone else.

**LEAD IN:** You know, the Bible sometimes uses words we think we understand, but often miss something.

As part of His Church, how can you display the wisdom of God this week?

## PARENT CHECK |

Colossians 1:27 defines the mystery of God as "Christ living in us." This week, what if you lead and served your family with the understanding that your kids would understand the mystery of God by observing you? What needs to change to make that happen? What do they need to see more of from you? You've got this - after all, Christ is in you.
