CHRIST'S WAY TO A TRUER AND GREATER LIFE

A WORD AND A WAY | HEBREWS 3:1-6 | WK12

AT THE TABLE

What is something you hope for?

Why do you think hope is so powerful?

PLAY TOGETHER

HOUSE | Give groups materials to build a house (cards, cardboard, markers and things to decorate). After 5 minutes of construction, have the groups show and tell about their house and why they built it the way they did. Lesson Lead In: In Hebrews 3, God shows us Jesus' role in our life by using the illustration that we are a house.

IN THE CAR

- How are we like a house that God is building?
- If Jesus is the son over the house, what does this mean for you?
- What step will you take this week to

BEDTIME

*How is Jesus our Apostle?

BECOMING A CHRISTIAN

BIBLE DISCOVERY METHOD |

Read Hebrews 3:1-6 & discuss:

1. What stands out to you?
2. What does this tell us about our nature?
3. What does this tell us about God's character?
4. What do you like/dislike about this passage?
5. What do you need to do in response to this?

PARENT CHECK |

The fact that Jesus is greater than Moses won't come as a shock to your teenager. But yet, we often live according to the law instead of the rule of grace when it comes to our faith. Is our hope in our own ability to follow God's law, or is it in Jesus? How can you model that for your family this week?
