Exodus 18:13-27 **Selecting Leaders**

Who was Moses wearing out? What was Moses preventing? **Parallel passages about delegating spiritual and civil authority:** Deuteronomy 1:9-18 Does the New Testament delegate authority in this way (Jesus sends out the 12 Matthew chapter 10; Mark 6:7, and Luke 9, seventy-two in Luke 10; Titus 1:5-9; 1 Corinthians 6:1-8; 1 Peter 5:1-4)?

Other Scriptures about judges and law courts Deuteronomy 16:18-20

Exodus 19:1-8 **The great plans God had for Israel, and the condition of that promise.**

Why did God say to Moses on Mount Sinai, this time? What had God said to Moses before at this place (Exodus 3:1-12)? What else happened at this location (Exodus 4:27-28)? How is our New Testament “priesthood of believers” different (Ephesians 2:10; 1 Peter 2:4-5, 9-12; Revelation 1:5b-6; 5:9-10; Luke 8:19-21 and 11:27-28; John 15:10; 17:14-19)?

Exodus 18:1-12 **A reuniting of family members.**

Let’s go back to when Moses met, and then left his father-in-law, and sent back Zipporah: 1) Exodus 2:15-22 meets Jethro’s daughters; 2) Exodus 3:1-4 fire in the bush; 3) Exodus 4:18-20 Moses asks permission to go back to Egypt; 4) Exodus 4:24-26 husband and wife disagreement on the way.

What initiated Jethro, Zipporah, Gershom and Eliezer reuniting with Moses? What was Moses attitude towards his father-in-law? What was Jethro’s profession? At what location did this family re-union occur? What would have Moses’ son’s names reminded him of? What did Jethro now have to say about the God of Israel? Who did Jethro have an opportunity to meet? What did they eat at the feast? Who supplied the food for the burn offerings and other sacrifices?

Exodus 18:13-27 **Wise advice from a caring father-in-law.**

Who was Moses wearing out? What was Moses preventing? Parallel passages about delegating spiritual and civil authority: Numbers 11:14-17, 24-30 (Mark 9:38-41, also compare with 9:25-30) and Deuteronomy 1:9-18 Does the New Testament delegate authority in this way (Jesus sends out the 12 Matthew chapter 10; Mark 6:7, and Luke 9, seventy-two in Luke 10; Titus 1:5-9; 1 Corinthians 6:1-8; 1 Peter 5:1-4)? What did Moses tell Joshua he was going to do? Exodus 17:9. Why is this unique? Compare: Luke 24:50; 1 Timothy 2:8; and Galatians 6:2.

Exodus 17:1-7 No water at camp and putting God to the test

Israelites leave the Desert of Sin, where they were provided meal of quail for an evening meal. The following morning they are provided manna (the bread of angels) which they gather every morning six days a week. They were provided manna for forty years. After leaving the Desert of Sin the Israelites camp three places prior to Rephidim, where there is no water for the people to drink. Numbers 33:12-14

Compare three previous Israelite failures to remember what God has done for them in the past: 1) Exodus 14:8-14 the approach of the Egyptians. What did they do right in this case (see Exodus 15)? 2) Exodus 15:22-27 three days without water, then Marah where the water was bitter. 3) Exodus 16:1-5 no pots of meat.

Read Exodus 17:1-7 again. How is today's story different? How were the Israelites testing God in this story? Exodus 17:4 and 7. What did the rock represent? 1 Corinthians 10:1-4, 11-13.

January 3, 2021 **Food and rest for the long journey** Exodus 16:1-36

Weary of the menu about a year and three months later Numbers 11:4-15, 18-23, 31-35

Summary passages: Deuteronomy 8:2-5; 29:2-6; Joshua 5:11-12; Psalm 78:17-31; 106:13-15; John 6:30-35, 41-42, 47-51

Themes: Results of rebelling against God's earthly spiritual authorities. Whining or complaining about how it used to be so much better. Demanding from God things we crave or want. New manna to gather each day. Content with daily menu of God's Word? Following the lead of the rabble.

The Exodus 16 event occurred after Israel crossed the Red Sea and before Israel reached Mt. Sinai to receive the law. It occurred in the wilderness of Sin a month and a half after they left Egypt. They had never seen manna before. When they first saw it, they said, What is it? which is the English translation of the Hebrew "manna." Moses gave them instructions on how to gather and cook it, and special instructions on gathering on Friday to prepare for keeping the Saturday Sabbath. The manna continued until Joshua 5:11-13.

Exodus 16:35 And the children of Israel ate manna forty years, until they came to an inhabited land; they ate manna until they came to the border of the land of Canaan. (NKJ)

Israel was at Mt. Sinai about a year. They left the wilderness of Sinai on the 20th day of the second month of the second year (Numbers 10:11-12). They traveled 3 days (Numbers 10:33). I would assume that the account in Numbers 11 is chronological, and that the events in Number 11 occurred during or after the three day journey. What happens in Numbers 11 is that the people complained about having nothing but manna to eat. There is nothing in the chapter to indicate that this was the beginning of their exposure to manna. The place where this happened was named Kibroth Hattaavah. In a summary of the journey, Moses put the stay at Kibroth Hattaavah after they left Mt. Sinai (Number 33:16).

Israel complained in both Exodus 16 and Numbers 11, and God gave them quail in both chapters. In Exodus 16, there is no mention of a judgment on the people. In Numbers 11, God strikes the people with a great plague.

References in the Psalms to manna are based on the entire 40 year period when the people ate manna. The language in the Psalm about raining meat like dust and striking people with a plague while food was still in their mouth fits the incident in Numbers 11 but not the incident in Exodus 16. Numbers 11 talks about a lot more quail being given at that time than was given in Exodus 16. *Summary by Grover Gunn December 19, 2020*

Exodus 14:29-15:21 **A Songs of Praise by Moses and His Older Sister Miriam**

As you read this passage what themes are repeated? What can we take away from the passage for our personal lives and the struggles we are going through? How did Israelites march out of Egypt? Exodus 14:8

Romans 9:14-23 **Pharaoh and God's purpose.** Is this a hard passage? Compare Exodus 14:4 to 14:18

Read a couple of the following summary passages: Psalm 66:1-7; 78:12-14, 41-53; 136:10-15; Deuteronomy 6:20-25; 7:7-10, 17-20; 11:1-4; Nehemiah 9:10-12. Why are the details of God's victory over Pharaoh and Egypt repeated so often in Exodus and many other Scriptures?

Exodus 15:22-27 **Israel's first test after crossing the Red Sea on the Journey to the Promised Land**

Why did God bring this test to the Israelites? Was God teaching them to pray instead of grumble? It worked for Moses. Do we ask God for help in our struggles **or** do we blame and grumble about the people seemingly causing our misery and trouble. Remember Ephesians 6:10-12 and 18.

Exodus 15:26 God makes a law and a decree promising good things for listening to the voice of the Lord your God, doing what is right in his eyes, paying attention to his commands and keeping his decrees. Compare Exodus 23:20-22, 25-26; Deuteronomy 7:11-15; 10:8-9.

Exodus 15:27 Why the nice place to camp at Elim soon after the previous test of three days without water?
