What's the Big Deal about Easter?

Grow Guide

4.12.20

1. How has COVID-19 changed your perspective on Easter and its celebrations?
2. The main point of this message was answering the question, "What's the big deal about Easter?" Dan said that Easter is a big deal because evil didn't win. How would you explain that in your own words?
3. **Read Romans 8:20-22.** What are some tangible ways that you have noticed creation cursed and groaning for freedom from death and decay?
How does this COVID-19 global pandemic remind you of creation "groaning"?
4. **Read Luke 24:1-6.** How does this account give you hope? Does this account change your outlook on the meaning of Easter? How so?
5. During the message, Dan mentioned several times that Jesus defeated evil in the events surrounding His death, burial, and resurrection. **Read Colossians 2:13-15** and begin to describe in your own words exactly how Jesus defeated evil and all of its work in your life. Would you consider sharing this good news with someone?

*Whenever we read Scripture, or hear a message preached, we should ask ourselves these important questions before walking away:

1. What is God saying to me about this?
2. What will I do about what He is saying to me?
3. How can my church help?

Please let us know how we can help you process what God may be saying to you from this message. Feel free to connect with us online at Multiply614.com
