Faith Over Finances
Grow Guide
4.26.20

1. Why is it so important to elevate faith over finances during a financial crisis?
2. **Read Psalm 24:1.** How much does God “own”? Because of this truth, how should you view your financial situation? Does this bring you comfort?
3. Our main point was: **faith over finances causes us to build up what is eternal and most important.** Explain this truth in your own words.
4. **Read Matthew 6:19-21.** Explain the difference between “storing up” on earth and “storing up” in heaven? What is the most important? Why? How does our heart follow our “treasure”?

*Whenever we read Scripture, or hear a message preached, we should ask ourselves these important questions before walking away:

1. What is God saying to me about this?
2. What will I do about what He is saying to me?
3. How can my church help?
