### Faith Over Fear of the Future

#### Grow Guide

5.3.20

1. Why do you think that we are so fascinated by the concept of the future? Why are we sometimes fearful of the future?
2. On Sunday, Dan said: "We don't know the future, but we know Who holds the future." How is that statement true? How does this statement help you to elevate faith over any fear that you may have about the future?
3. **Read Revelation 1:7.** Jesus explains here that He exists outside of time and that He holds the future. How would you explain this truth to someone who may not believe in and follow Jesus yet? How does this passage encourage you during the pandemic?
4. **Read Exodus 14:10-12.** On Sunday, we learned that the Israelites were facing a very uncertain future as they were caught between the Red Sea and the mighty military of the Egyptians pursuing them - seeking to destroy them. We also learned that the fear of the future elevated over their faith in God and they dealt with this fear in three specific ways: **1. Intense fear 2. Sarcasm towards leadership 3. Imagining the worst-case scenario.** Have you ever dealt with fear of the future in any of these ways? How can you elevate faith in God over fear of an unknown future today?

\*Whenever we read Scripture, or hear a message preached, we should ask ourselves these important questions before walking away:

1. What is God saying to me about this?
2. What will I do about what He is saying to me?
3. How can my church help?
