A Transformed Mind  
Grow Guide  
5.10.20

1. Why do you think having a healthy mindset is so important?
2. **Read 2 Corinthians 10:5.** How can you practically “capture your thoughts?” What is the purpose of capturing your thoughts? What should we measure our thoughts against and why?
3. **Read Romans 12:1-2.** On Sunday, Dan said that “right beliefs/thinking determines right behavior” - explain how this passage illustrates that.
4. Why is it important not to “conform/copy” the way that the world thinks? How can you practically not conform/copy the way the world thinks?
5. How can our minds be renewed according to **Romans 12:1-2**? What are some action steps that you will be taking today to transform your mind?

\*Whenever we read Scripture, or hear a message preached, we should ask ourselves these important questions before walking away:

1. What is God saying to me about this?
2. What will I do about what He is saying to me?
3. How can my church help?
