A Transformed Mind  
Grow Guide  
5.17.20

1. Evaluate this axiom that Dan shared on Sunday:

***Watch your thoughts; they become words.***

***Watch your words; they become actions.***

***Watch your actions; they become habits.***

***Watch your habits; they become character.***

***Watch your character; it becomes your destiny. (Author Unknown)***

Why is it so important for us to have healthy, godly thoughts?

2. **Read Romans 8:5-6.** What does it look like to have the mind set on the flesh? What does it look like to have the mind set on the spirit? Can you give a specific example of how you've had your mind set on each?
3. **Read Ephesians 6:12.** According to this passage, where can we determine that negative thoughts come from?
4. On Sunday, Dan said, ***"The mind is a battlefield. This is where life's most important battles are won or lost."*** Do you agree with this statement? Why or why not? How can you win in the battlefield of the mind?
5. After this week's message, how will you be able to break strongholds of negative thinking in your life?

\*Whenever we read Scripture, or hear a message preached, we should ask ourselves these important questions before walking away:

1. What is God saying to me about this?
2. What will I do about what He is saying to me?
3. How can my church help?

Please let us know how we can help you process what God may be saying to you from this message. Feel free to connect with us online at [Multiply614.com](http://Multiply614.com)
