

MULTIPLY

The Value of God's Word

Grow Guide

8.30.20

1. What are some of your core values? Why do you consider these your core values? How do your core values dictate your behavior and actions?
2. On Sunday, it was said that, "***the Bible contains the words of God and has the power to change and guide our lives and church.***" Do you believe that this is true? Have you experienced power and/or life-change through the power of God's Word? If so, how?
3. Based upon the message on Sunday, is the Bible reliable? How so?
4. **Read Psalm 119:105-106, 2 Timothy 3:16-17, and Hebrews 4:12.** After reading these passages, why does the reading and studying of God's Word need to be a core value in your individual life and in the life of our church?
5. Using the 3 steps of reading/studying the Bible (**Observation, Interpretation, Application**) how will you commit/recommit to spending time in God's Word from here forward?
6. **Read James 4:8.** What is the benefit of spending time in God's Word?

*Whenever we read Scripture, or hear a message preached, we should ask ourselves these important questions before walking away:

1. What is God saying to me about this?
2. What will I do about what He is saying to me?
3. How can my church help?

Please let us know how we can help you process what God may be saying to you from this message. Feel free to connect with us online at Multiply614.com
