The Value of Family Grow Guide

10.4.20

1. What influence do you have over the next generation? Why is your influence needed and important?
2. On Sunday, it was said, "***We believe our families are our first mission field and we want to equip you to be the primary disciple-makers of your children.***" Do you agree with this statement? Why or why not?
3. **Read Psalm 127:3-5.** Why is it important to launch out children (like arrows) into the world only when they are ready?
4. **Read 1 Thessalonians 2:7-12.** How can you be encouraging with the next generation? How can you be comforting with the next generation? How can you be urging with the next generation? How does this make disciples?
5. We believe our families are our first mission field. This looks like helping to equip parents to be the primary disciple-makers of their children. Why is this core value so important? How will you commit this core value to prayer as this church plant moves forward.

*Whenever we read Scripture, or hear a message preached, we should ask ourselves these important questions before walking away:

1. What is God saying to me about this?
2. What will I do about what He is saying to me?
3. How can my church help?
