God is the Foundation

11.22.20

1. On Sunday, we focused on the birth of the Church and how all of the sudden there were many “baby Christians.” Why was it important for the early church to have a clear strategy to help all of the new Christians? Why is it important for today’s churches to have a biblical strategy?
2. On Sunday, it was said that, “**church discipleship and effective organization requires a clear and biblical strategy.**” Do you agree with this? Why or why not?
3. At Multiply, we want to do four simple things that multiply the hope of Jesus. Can you name those four things? Why are they important?
4. **Read Acts 2:37-42.** How do you see our strategy (4Gs) in action with the early Church? Why is it a good thing for Multiply to replicate what the early Church did?
