5.2.21

1. On Sunday, it was said that ***“Even when it seems like the mission hits a dead end, the Holy Spirit brings a breakthrough.”*** Is this statement true in your life? How so?
2. Explain how this process: **Promise -> Power -> Progress -> Persecution -> Power -> Progress** is seen throughout the book of Acts? Why is this important? How does this process strengthen your faith?
3. **Read Acts 10.** Explain how the mission is for all and reaches all. Why is this important? How does this personally benefit you?
4. **Read Acts 11.** Explain how even in the face of persecution, newness, and unknown circumstances, the mission of Jesus and His Church cannot be stopped. Why does this matter?
5. **Read Acts 12.** Explain how God is faithful and He will do all that He says He will do. How does this encourage you during difficult times?
