How do I Face Cultural Issues as a Follower of Christ? Grow Guide

8.8.21

1. Are you aware of the cultural issues involving Critical Race Theory (CRT) and LGBTQ+? If so, what have you heard? How do you respond?
2. **Read Galatians 3:26-29.** What does this passage teach you about your identity? As our culture continues to divide based upon race, what truth do you find here from the word of God?
3. Read **John 8:1-11.** How would you apply this story to sexual sin and the cultural LGBTQ+ issues? How can we live as people of grace and truth when it comes to sin?
4. Read through the practical application of how to face these issues as a follower of Christ:
 - a. Get in the Word of God daily. You have to know the truth to guard yourself against the false gospels of our day.
 - b. Do your own research from resources that are birthed in a Biblical Worldview.
 - c. Pray for discernment.
 - d. Repent where needed.
 - e. Be a part of a Bible-believing/historical Christianity community that will provide sound teaching, accountability, and environments of love and truth.
 - f. Be different from the culture.

What practical step will you take to face the cultural issues mentioned in today's message?
