

Welcome to
JUST KIDS

Bickerton Street

ENROLMENT INFORMATION

Nau mai haere mai and welcome to Just Kids Community Preschool.

We strive to provide a safe and happy place for all children to learn and grow, secure in their own language, identity and culture.

We are a community based preschool in Christchurch East. Our first centre opened in July 2003 and today we have 3 preschools in the Wainoni/Aranui area.

At our Bickerton Street centre we have four classrooms - two infants rooms, one toddler room and one room for older children 3.5 years and older. Our team looks forward to meeting you and your child and helping you find your place within our centre.

If you have any questions please do not hesitate to ask and we will be more than happy to help.

STORYPARK

Storypark is a secure online program where you can follow your child's learning journey to see what they are interested in while they are at Just Kids. It helps connect you with your child's teachers to ensure they receive the best opportunities in their early years. You can also choose to connect family members and friends who are close to you and your child. We regularly ask for your feedback during your child's learning journey and we encourage you to comment whenever you can!

PARENT VOICE

Our Philosophy states *"that parents and whānau are their child's first teachers and that each child brings with them individuality, unique learning characteristics and culture from their home."* At the very beginning of your child's journey with us, we invite you to share what is important to you and your whānau/aiga/family. Please complete the "All About Me" information sheet in this enrolment pack so that we can start the journey together, knowing what is most important to you.

WHY CHOOSE JUST KIDS COMMUNITY PRESCHOOL?

Just Kids Bickerton is a community-based preschool where family & whānau are at the forefront of what we do and what we believe in. We are 100% committed to partnering with every family to ensure children receive the best possible start in life.

We support families through building strong relationships, having an open-door policy, seeking parent aspirations for their child and working to realise those aspirations within the daily program. We support whānau by running parent evenings at night and parent hui during the day. We have our own publication *"For Under Fives"* which has information, tips and advice for parents on child development and how to support children in their early years.

Our Bickerton Street centre is funded to provide lunches for all children, as well as jackets, shoes, socks and headlice treatment.

We have a free transport service which supports families to ensure their child is able to attend preschool regularly.

We are passionate about seeing children develop in their oral language and communication skills. We invest in this by being a part of the Duffy Book Program which ensures children receive free books throughout the year.

In short, we are committed to our community, the children in our care and their families and we invite you to join us!
