Thank you for praying for Natasha as she is preparing for her overseas teaching work.

An authorization code is needed from the host country before she can apply for her visa. No plane tickets can be booked until the visa is given.

Details need to be worked out about a five week quarantine upon arrival. Natasha lives with symptoms of Celiac disease, and three of these weeks she may(or many not) be staying at a facility where she would be able to get gluten-free food.

Praise the Lord her support is all in allowing her to go once things are in place.

If you want more information about communication considerations, and how to reach out to Natasha personally while she is gone, you can email- Lorren547@gmail.com or call /text her at 587-297-4927 before she leaves Canada.

Niger – Praise God with Keith and Melanie Haensel [11] and Doug and Denise Cameron [12] that He answered their prayers for visas. Pray that the Spirit will direct them in being Christ where they are that there will be Tuareg and Fulani people who come to know Jesus as their Lord and Saviour.

Silk Road – Praise God with Caitlyn as she and her team were able to participate in making food baskets with cards for the Y people celebrating the birth of Jesus. Praise God that she and her roommate were able to host dinner for nine neighbors sharing the Christmas story. Pray that seeds of truth will be planted deep into the hearts and minds of their guests.
