## “Around the Corner Around the World”

Missions resources site: [www.globalvault.ca](http://www.globalvault.ca)

Pray for Colette Baudais as she continues to wrap up her many ministries in Guinea. Pray that leaders will come forward to take her place in these roles. Pray wisdom and grace upon her.

Pray for Natasha as she is adjusting to her host country. Things are working out. Pray for wisdom and health for her.

**Silk Road** – Pray with Bryan and Jessyka for Sammy, a young Yaz boy who needs heart surgery in another country. Pray that the borders will open quickly. Praise God Anthony and his father Karl are recovering well from COVID-19. Praise God for all the opportunities that have opened up for spiritual conversation. Pray with them as they reach out to the hurting refugees around them. Pray that the light and love of Christ would shine from them and give hope and comfort to all they come in contact with.

**Serbia** – Pray with Danny and Vera as they minister to the lives of the men in the rehab center. Some have finished the program and have gone on to Bible school while others have stayed on to work full time at the center. Praise God that Nenad has found Christ, finished the program, is working with them full time, and has just gotten married to a beautiful Christian woman.

**Desert Sand** – Praise God with Paul for the media ministry which has seen over twenty people come to faith so far this year. Pray for new focus on hard-to-reach women in the Arab peninsula. Pray for new partners to help fund this incredible work.

**Global** - Pray for the Muslim community around the world as Ramadan is ending on May 12. This is a time where this people group is especially open and focused on spiritual things. Pray for the new Muslim background believers who face persecution and even death for their faith in Christ. PRAY for the unengaged Muslim people groups who have yet to hear the Good News.

**Asian Spice** – Pray with Gerry and Carrie for various means by which the You people are made aware that the Word exists in their own language. Word of mouth is one of the means in which people can find out about it. Pray that people would not be afraid to share the Word, even though there is personal risk in doing so.

*She is clothed with strength and dignity;

*She speaks with wisdom,  
and faithful instruction is on her tongue.  
She watches over the affairs of her household  
and does not eat the bread of idleness.*

*Her children arise and call her blessed;  
her husband also, and he praises her\**
