Thailand – Pray for Derek Chan’s visa situation. If he is to pick it up in Singapore as planned, the Singapore government needs to open its borders to tourists. He would need to leave this week in order to complete the quarantine prior to receiving his visa. Pray that God would make a way for him to travel to Singapore.

Silk Road – Pray with Aaron as he investigates sharing his faith with P2 people in their home country. Praise God for a good visit there and for the insight given to him on the trip. Pray now for discernment going forward.

Silk Road – Pray with Don and Betty as they come alongside those in the camps who have lost everything due to a fire. Praise God many donations have come in to enable folks to start rebuilding. However, since the new structures are concrete rather than tents there are some tensions in the village amongst those who have to remain in tents versus a new concrete home. Pray for unity amongst neighbours. Pray for Lina one of the teams’ partners who has been air lifted to another country due to contacting COVID.

Sea to Sea – July is legislated as Tibetan Heritage Month (THM) in Ontario. Continue to pray for the people of Tibetan heritage living in Canada along with Tibetan people worldwide. Please pray that the on-site engagement and outreaches will bear much fruit.

Niger – Pray for Niger as they celebrate Tabaski (Eid Al Ahda; the Feast of Sacrifice). This is the biggest religious holiday at the end of the Islamic calendar. This festival is celebrated throughout the Muslim world as a commemoration of Prophet Abraham’s willingness to sacrifice everything for God. Pray that believers who may feel alone during this celebration be reminded of their Saviour’s love for them in making the ultimate sacrifice for their sin.
