In July 2023 we are doing a short term mission's trip to Mexico City. During our time in Mexico, we will be involved in prayer walks, cultural and spiritual learning and 5 days of hands on ministry.

This application is coming out early because the application to be a part of our team next summer needs to be back in to Pastor Nate by September 28<sup>th</sup>, 2022. This will also give those who are interested the ability to begin saving money towards the trip. Please spend time praying about getting involved. Filling out the application form does not mean that you are committing to going to Mexico, but that you are interested in being a part of the team. Once all the applications are in, we will have a meeting regarding expectations and to answer any questions you may have. After the meeting I will give you two weeks to pray and decide if you are going to commit to the team or not.

Here is some information about the trip:

We can only take a maximum of 12 people.

The trip will cost approximately \$2400.00. This will be broken down into thirds. 1/3 will come from the student, 1/3 will come through prayer letters and 1/3 will come through fundraising. When you break it down \$800.00 is needed from each area. These funds will cover the cost of travel, accommodations and the ministry we will be involved in.

We will have monthly training times as well as fundraisers. The expectation is that you will be involved in **all** these times unless you have an awesome reason not to be. Training is a must. These are important times and we will be using this time to prepare for our trip. If you do miss a training time you will be responsible to get the info and be caught up for the next one. Training also helps us gel as a team and helps us to prepare to work well together.

Again I look forward to what God will do and who will be on the team for the trip to Mexico.

For His Kingdom,  
Pastor Nate
