“AROUND THE CORNER AROUND THE WORLD”

Missions resources site: www.globalvault.ca

Pray for those in Texas who have been deeply affected by the tragedies occurring due to the flash flood.

July is recognized in Ontario as Tibetan Heritage Month (THM). The relatively small population of 7 million Tibetans exercises a global impact from their homeland and through the diaspora, nesting in the Western world. Their impact is seen in Hollywood movies, media, exercise programs, school curricula, and governmental associations. As they celebrate, would you redeem Tibetan Heritage Month as Tibetan Hope Month?

Children of International Workers-Pray that the children and youth would hunger and thirst for God, making their relationship with the Lord a true priority. Pray that it may be said of them: "As the deer pants for streams of water, so my soul pants for you, my God." (Psalm 42:1)

Middle East-Pray with Danyal as he helps run Alpha Youth this summer at an international church in the Middle East. Pray for God to use this time of fellowship and discussion to draw the youth to Himself. Pray that the youth will invite their friends, feel welcome, build good relationships, and keep returning with a desire to know God more.

International Workers in Transition- Please join us in lifting up our international workers around the world as many of them navigate seasons of transition, whether returning home for assignments, preparing to relocate to new regions, or stepping into fresh ministry roles. Pray that the Lord will cover each one with His abundant grace, providing clarity, strength, and peace through every step of the journey. Ask for His protection over travel, health, and emotional well-being, and that strong support systems would surround them during times of change. May God continue to shine His favour upon them, sustain their calling, and open doors for renewed vision and fruitful ministry wherever He leads.
