Children of International Workers—Pray for kids that are dealing with all the normal stuff kids in Canada deal with (gender and sexuality issues, academic achievement, emotional and mental health issues) but are in more of a spotlight because of their parents’ jobs. Pray also for the families dealing with all the same issues as parents in Canada but sometimes don’t have the community around them to support them through the journey.

Least-Reached People Group Focus: South Asians—Over five million South Asians are living in the Arabian Gulf. They are from India, Pakistan, Nepal, Bangladesh, and Sri Lanka. About 10 percent of the Indians are believers, but less than one percent of the other countries follow Jesus. Around two million South Asians also live in Canada. Pray that South Asians would encounter Jesus through dreams, visions, and the ministry of Christians. Pray that South Asians living in the Arabian Gulf would be treated justly.

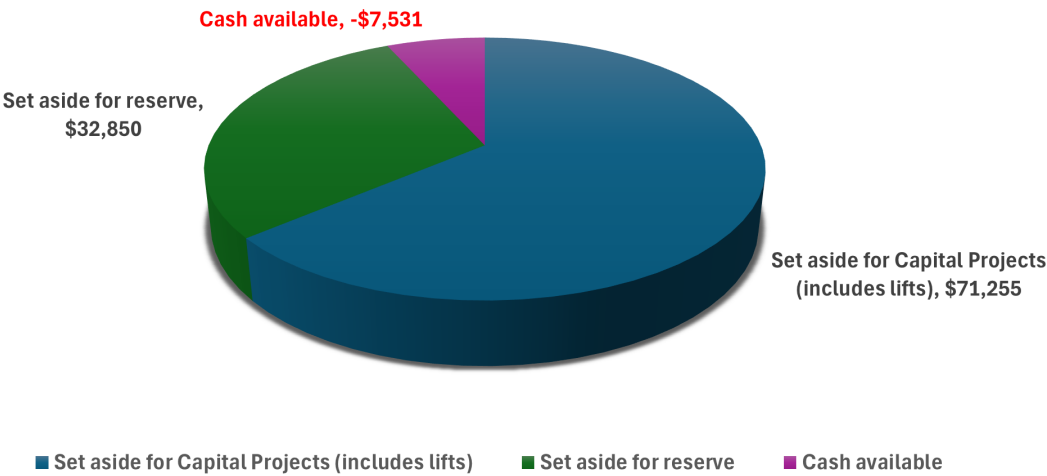

Niger—Pray with Doug and Denise for the Gospel messages being broadcast in Tamajaq. They air once weekly on Niger’s national radio, reaching listeners across the country and beyond, and six times weekly on two local stations. Pray for the radio team’s goal to expand these broadcasts to additional local stations in Niamey, where many Tamajaq speakers live. Pray that funding will be raised to make this expansion possible and to continue sharing the Good News with even more people.

International Workers—Pray for protection, spiritual encouragement, and strength for international workers as they serve in challenging environments. Ask God to grant them wisdom and understanding of the cultures they engage with, and to sustain their families with His peace and grace throughout their journey.

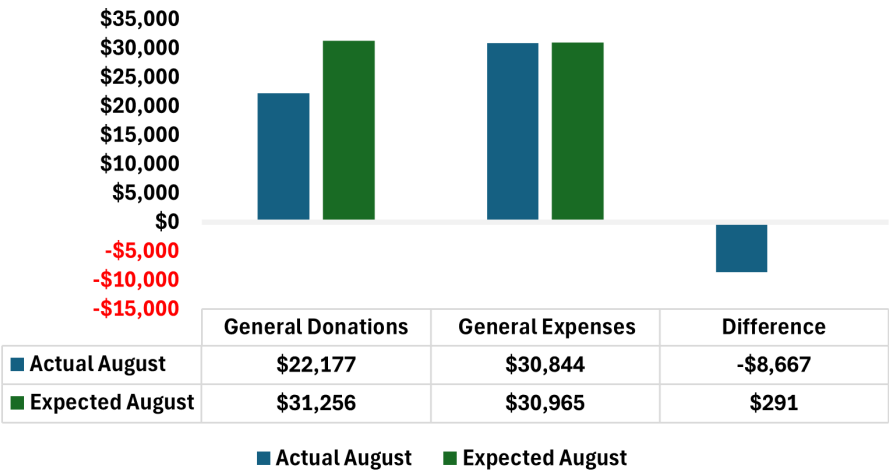

Senegal—Pray with the team in Senegal for a Christian medical clinic located among a least-reached people group in rural Senegal. One of the local believers who helped the team greatly through his gifts of evangelism and insider knowledge of the culture has been forced to leave the area for a while due to increased security issues. Pray for wisdom as the international workers in that location discern the future of their ministry without his partnership for a season.
