Ramadan, month of fasting for Muslims, starts on the evening of the 17th. As many in the Islamic world observe this, they are searching for God. Pray that in their openness, they would find truth. Pray for the IWs working in these areas, that they will have many opportunities to speak into the lives of those seeking.

Least-Reached People Group Focus: Sasak—Islam is the main religion of the 3,383,000 Sasak who predominantly live in Indonesia. Only 0.01% of them are followers of Jesus, and many remain resistant to the gospel. Pray for the Sasak who have endured many natural disasters (earthquakes, floods) and live in overpowering poverty to have soft hearts and to admit their need for God. Pray for Jesus to be the Light that is needed in the darkness.

Thailand—Pray with Derek Chan as he oversees a project that will be used to help mobilize Thai churches to reach out to Cousins. Pray for wisdom to know what content to include and for Thai believers who can provide teachings and testimonies.

Mexico—Pray with Ray and Cindy Perry for the short-term team arriving this week to partner with a nearby children's home. Pray that this would be a meaningful time of experiencing God's love and transforming power for both the children at the home and the team.

Japan—Pray with Joze and Jocelyn for the Japanese people, who are the second-largest least-reached people group in the world. Pray for the younger generation, especially those turning 20 this year (an age celebrated as coming of age in Japan), that they may accept Christ and embrace adulthood with courage and resolve, not fear or obligation. Pray for those who are celebrating Setsubun, a festival marking "out with the bad, in with the good," that this tradition would be joined with trust in King Jesus as they "forget what is behind and press toward what lies ahead."

Thailand—Pray with Bonnie Burnett and Zee Chan as they teach English at a blind school for Cousin kids. Pray for creativity in lesson planning and favour with the other teaching staff that would lead to spiritual conversations.
