Pray for the Arab world as they have started their practise of a month of fasting and prayer and good work of Ramadan. The guide for you will be: Pray for the Fulani who have faced persecution.

Asia—Pray with Kim Peters for Woven, The Alliance's anti-human trafficking efforts, as we navigate the complexities of cultures, histories, and countries across Southeast Asia and seek to combat the exploitation of people. May many people come to faith in Jesus as we work for rescue, restoration, and healing!

Thailand—Praise God for capable, faithful Woven workers who have gone into schools in Thailand to educate students about the real threat of human exploitation. Pray that what has been shared will have a profound effect on school children throughout the country.

Germany – Pray with Jake and Sally for a church pastor whom Jake recently had a conversation with, who has it on his heart to reach the Turkish people and the lost of the city. Pray for this pastor and the leadership, that God would strengthen them and grow this desire to be outward-focused. Pray that people would be attentive to the Holy Spirit's leading while attending the upcoming missions week in their church.

Asia—Pray for the completion of new safe homes. The girls are very excited and have helped plant trees on the new property. There is much still to be done in the construction process; pray for the workers and future residents, that these buildings would become a place of peace and encounter with Jesus.

Least-Reached People Group Focus: Ural Lawoi—The Urak Lawoi, or "Sea People", migrated to Thailand from Malaysia by boat many generations ago, and their lives and livelihoods are closely linked to the ocean. They practice a religion that is a mixture of animism, ancestor worship, and Buddhism, and only 1.3% of their population are evangelical Christians. Pray that the Urak Lawoi would pursue the Lord as their Saviour and Sustainer, and that they would be free to worship Him alone.
