Least-Reached People Group Focus: Japanese—Pray for the more than 73,000 people of Japanese descent who live in Canada, as well as the approximately 126,000,000 Japanese people worldwide, as only 0.5% of their population claims to be Evangelical Christians. Although Buddhism is the largest religion in Japan (69.6%), many who claim no religion follow a combination of Buddhist and Shinto rituals. Pray that many Japanese would find Jesus and the hope He brings.

Mexico—Praise God with Heather Hahn for an opportunity to learn how to love Muslims in the upcoming weeks. Join us in asking the Holy Spirit to nudge the right people to take part in this opportunity and grow in their love for Him and others.

Asia—Pray with Travis, Erin, and Elizabeth as their new business space is dedicated this week. A new voluntary Bible study for employees is also starting this same week. Pray that the hearts of their employees would be stirred to come and that they would be receptive to the Word.

Africa—Pray with Dave & Jenn for their Sudanese friends and disciples in North Africa. Over the last week, mass arrests and deportations have left Sudanese refugees afraid to leave their apartments. Pray that they would be brave and protected as they attend work, school, and church, and as they gather for mutual support and encouragement. Pray that God would redeem these hardships to continue growing His church.
