Middle East and Arabian Peninsula | Thank you for your faithful prayers for the Middle East and Arabian Peninsula. We are grateful for the ceasefire that has brought a measure of calm. Pray for wisdom during ongoing negotiations and for divine opportunities to share Jesus and the hope we have, even amid chaos.

Least-Reached People Group | Arab Diaspora—Along with other nations, Canada has a substantial population of the Arab diaspora (approximately 1 million). They have descended from countries such as Egypt, Syria, Jordan, Palestine, Lebanon, and Iraq. The vast majority of Arabs are Muslim. Pray that the underground fellowships of Arab believers would persevere and bear witness to the Gospel even through suffering and persecution. Pray for an increase in the harvest among the Arab Muslim diaspora through dreams, visions, and faithful Christian witness.

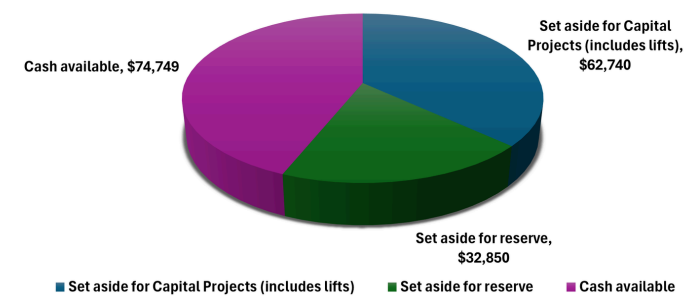

South Asia | Pray for our ministry partner, [Un]Reached, in South Asia. Trips to the field are now well underway. As teams continue visiting the field, please pray for God's covering, protection, and favor over each member. May they carry strength, encouragement, and renewed hope to our workers. Pray that they may return refreshed, inspired, and even more deeply aligned with the vision God has placed before us.

Japan | Pray with Kat for her friend Yukino as she gains courage to share what she is learning from God with her not-yet-believing friends. Pray that the seeds planted through these conversations would fall on good soil. Pray for openness and curiosity among Yukino's friends, so that they want to know more about Jesus. Pray for continued boldness for Yukino as she seizes opportunities to share about Him.

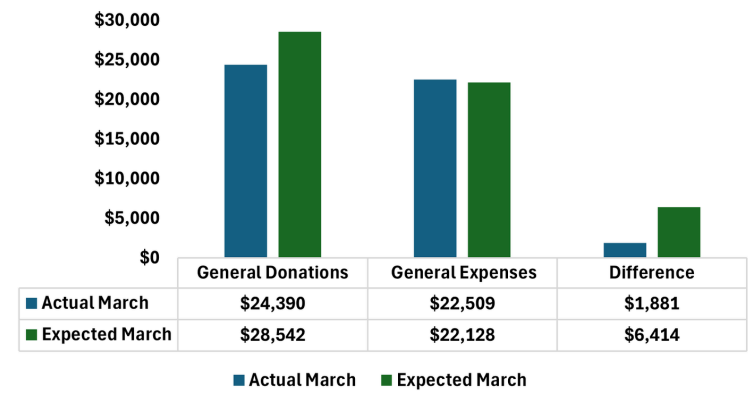

Africa | Pray with Jordie and Lisa for their friend and language teacher, Fatima. They have the privilege of supporting and discipling her as they have grown in relationship with her through their Arabic classes. They have this unique opportunity because she is a refugee from her home country, where it is difficult for believers to receive discipleship. Pray for her continued provision so that they can maintain this relationship with her after they conclude their language study.
