Middle East and Arabian Peninsula | Continue to pray for wisdom and for the Spirit of God to be at work in the lives of those in the region, as well as in the hearts of leaders across both areas. Pray also for many opportunities to share the Good News and the hope we have, even amid the chaos.

Europe | Praise God for a joyful, fruitful short-term team to Poland that carried out renovations to a meeting room in the Good Works Centre for Ukrainian refugees and other people in need. The team completed their work on Sunday, May 3. Praise God for this ministry, including food distribution and other support for those affected. Pray that the impact on both team members and those living in the country will be ongoing. Pray that more funds will come in for this project.

Least-Reached People Group | Western Fulani—Pray for the Western Fulani people of Niger. Approximately 99.98 per cent of this people group are followers of Islam, with only 0.02 per cent of the population reported to be Christian. Pray for the Lord of the Harvest to send workers into the harvest fields, and ask the Holy Spirit to raise up people who will intercede for this people group. Pray that the Lord would establish strong local churches among the Western Fulani people.

Japan | Pray with Christina and Jacob as they continue in full-time language study. Pray for focus, diligence, and joy as they learn Japanese and deepen relationships with their new Japanese friends. Pray that their friends would see Jesus through the way they love and share life together.

Senegal | Pray with Gary and Sharon as they help facilitate a storytelling workshop for Fulani leaders. Pray that these leaders will clearly grasp the principles of orality-based discipleship and be empowered to share God's Word among their people.
