Senegal | Pray with our IWs for the celebration of the completion of the Wolof Bible on May 16. This project took nearly 60 years to complete. Pray that the church would make full use of this essential tool. Pray also for the timely arrival of the physical Bibles, given shipping delays.

Japan | Praise God with Kat for the things He has been revealing to the 10 individuals participating in the Freedom in Christ classes. Pray that their time together would be a safe space for people to hear, process, and respond to what they are learning. Pray for the upcoming lessons on identifying roots on May 16, 23, and 30. Pray for protection over each participant and facilitator. Pray for Kat to remain a clean vessel for the Lord to speak through.

Least-Reached People Group | Rohingya People - Over 700,000 Rohingya people live in large refugee camps in Bangladesh, in addition to the many who have found their way to neighboring countries via human trafficking rings. The vast majority of Rohingya are Muslim. Pray that the Lord would grant these people dreams and visions that would lead them to Jesus and that they would find the hope that He offers. Pray for the many needs of this people group: a haven, employment, education for children, and health care.

Japan | Pray with Jocelyn and Joze for the Japanese people, the second-largest least-reached people group in the world. Pray for their friends and their children's friends in Tokyo, that they would discover the shalom of King Jesus. Pray that they would know wholeness, peace, and completeness in their mental well-being and in their relationships.
