Pray for the I/Ws coming home soon for home assignment. May God give them strength and stamina to pack up households, grace to bid farewell to those they have worked with, and understanding for releasing their field responsibilities at this time.

General Assembly | Join in prayer for General Assembly June 8-12 at First Alliance Church in Calgary. Pray for all the details and arrangements to come into place for the gathering. Pray for the speakers and leaders as they prepare for the gathering, and for the Holy Spirit's anointing as they speak and lead. Pray for the Next Generation Youth Rally on June 9! May all involved be deeply touched by God, and may The Alliance Canada truly double our reach by 2034!

Children of International Workers | Pray for children who are dealing with grief on different levels, whether it's the loss of a loved one, the loss of being near friends and family due to moving, or the loss of conveniences or activities they no longer have access to.

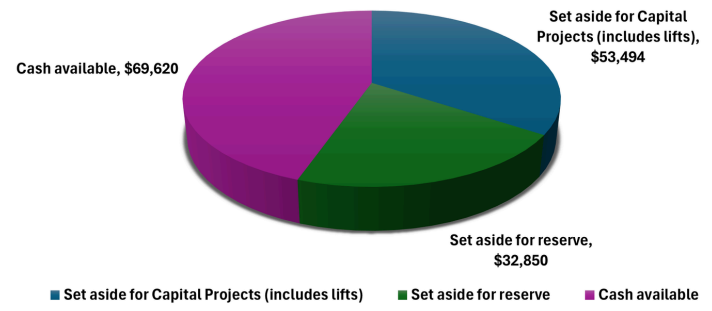

Least-Reached People Group | Huichol—The Huichol people are an unreached indigenous people group in Mexico, with most residing there and a small population living in the USA. The majority of the Huichol people follow an animistic belief system. They consult witch doctors or shamans who receive guidance from the spirit realm. Pray for more laborers for the harvest. Pray for God to strengthen Huichol believers and for them to share the Good News among their people boldly.

South Asia | Pray with our ministry partner, Unreached, in South Asia. They need continued provision for the nursing schools, and pray specifically for the health and holistic well-being of workers who are experiencing physical attacks that make no sense. Pray for workers who are prepared to go and teach health and hygiene in slums, and for our workers helping people who have been abandoned and neglected because of mental health challenges. Pray for ministry effectiveness and lasting impact.
