Mexico | Pray with Ray and Cindy for a youth worship event happening with some of our Mexican Alliance churches on June 27. Pray that the youth would experience true worship, not just hype, and that those who don't yet know Jesus personally will have an encounter with the living God.

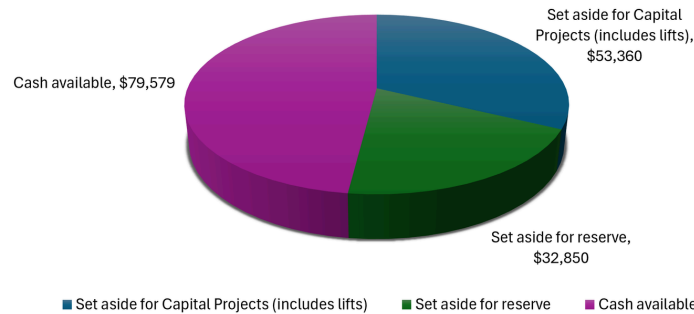

Least-Reached People Group | Sorani Kurds—The Sorani Kurds are an ethnic group that primarily resides in northern Iraq and western Iran. They are predominantly Sunni Muslims. Their religious adherence is typically nominal in nature, perhaps due to their historical connection to the ancient Zoroastrian faith. Only 0.03% of the population is evangelical. Pray that the gospel may fall on prepared hearts. Pray that God would reveal His glory to the Sorani Kurds and root them in the light of His truth.

Japan | Pray with Jocelyn and Joze for the Japanese people, the second-largest least-reached people group in the world. Pray for Japanese Christians who feel isolated because there are so few followers of King Jesus. Pray that they would experience solidarity with the wider Body of Christ and would also sense God's call to bring healing and restoration to the world around them.

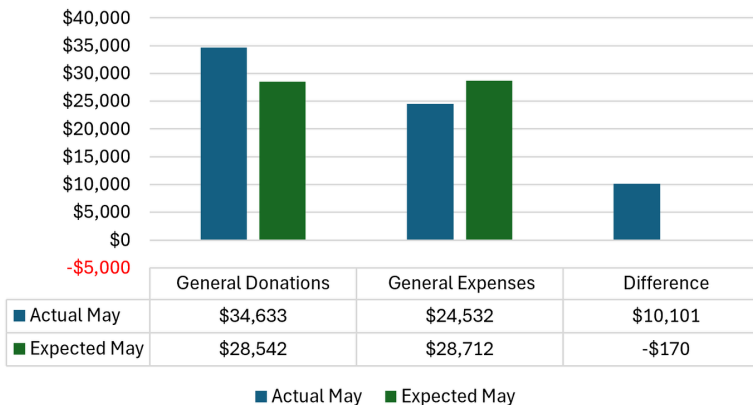

South Asia | Pray with our ministry partner UnReached Global in South Asia. Pray for our workers as they provide help to those affected by natural disasters and other tragedies. Pray that people would be open to receiving the hope of the Good News. Pray for field workers and their communities who are helping improve livelihoods. Pray for creative and sustainable solutions to produce food for communities and for good harvests. Pray that vocational skill projects will equip people to support their families better.

Middle East | Join Danyal in prayer for the youth he is serving at an international church in the Middle East. Praise God for how He has blessed their weekly youth gatherings this school year. Pray that over the summer break the youth would choose to prioritize God and draw closer to Him.
