Least-Reached People Group | Chhetri—The Chhetri people are one of the largest and most influential ethnic groups in Nepal. They speak Nepali and follow Hinduism, with strong ties to rituals and ceremonies. Although many resources have been translated, mission work is difficult and dangerous. Christianity is considered a “foreigner’s religion,” and those who perform baptisms risk imprisonment. Pray for God to protect the missionaries so that the Gospel can continue to spread like wildfire and transform the nation.

Children of International Workers | Pray for God to bless the children with close family relationships, and for their long-distance family relationships to continue to be nurtured even as they live apart. Pray that God would grant them the ability to connect easily with others and that they would develop close friendships where they are living.

Asia | Pray with Mtt & Cnn for the artisans of their handicraft program. Many of them have studied the Word with them for years and are very open to the Good News of Jesus. Pray that the many seeds of truth planted in their hearts will take root and grow. Also, pray that these women will continue to share the truth they have been learning with their families and neighbours.

Japan | Pray with Jocelyn and Joze during this home assignment in Canada. Pray for opportunities to connect with church pastors and leaders, sharing what God is doing in Japan while helping believers embrace a missional posture. Pray for opportunities to walk alongside those discerning a call to cross-cultural mission. Pray also that they might encourage others to partner with King Jesus in His work of bringing healing, restoration, and hope to our shared world.

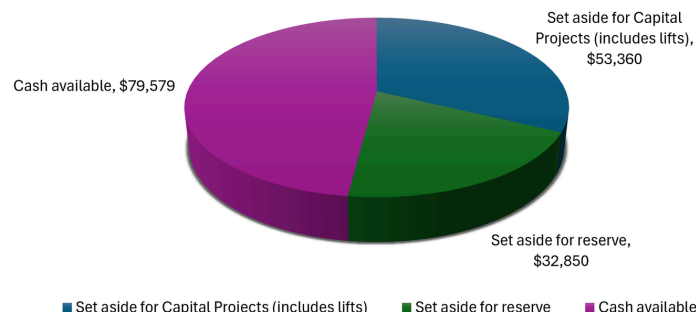

South Asia | Pray with our ministry partner UnReached Global. Pray that Transformation Hubs would be accepted and appreciated by local governments and authorities. Pray for the provision of more capable field staff to help with the significant increase in documentation and compliance required by the authorities. Pray for God’s divine protection for all His workers. Pray for doors of opportunity to continue opening, and for a harvest as He uses them to build His church in Asia.
