**AROUND THE CORNER
AROUND THE WORLD**
MISSION RESOURCES SITE: WWW.GLOBALVAULT.CA

Global Emergency Response Team | Pray with Kristi Hopf and the Global Emergency Response Team as earthquakes have hit both the Philippines and Venezuela this month, countries where Alliance churches are impacted and responding. Pray from Psalm 20:5 that as the needs of those who are vulnerable are met, God's banner of love will be lifted high, and many will be drawn to rejoice in the salvation of the God who saves.

Global Ministries | Pray with Global Ministries for Candidate Collective (July 26-31), Re-Entry Retreat (July 28-31), and ReBoot (August 8-15). Candidate Collective is for candidate orientation, and the Re-Entry Retreat is for international workers (and their children) returning for Home Assignment. ReBoot (run by a network of caregivers) is for high school graduates and helps them prepare for independence and their return to life in Canada. Pray for the leaders as they plan and for the attendees as they arrive back in Canada and quickly transition into this time of retreat and development. Pray that this will be a good time of community building and emotional healing.

Children of International Workers | Pray for children who are dealing with all the normal challenges children in Canada deal with (gender and sexuality issues, academic achievement, and emotional and mental health issues), but who are in more of a spotlight because of their parents' jobs. Pray also for the families who are dealing with all the same issues faced by parents in Canada, but who sometimes don't have the community around them to support them through these experiences.

Least-Reached People Group | Tibetan—The majority of Tibetans live in China, but there are also significant populations of Tibetans living in India, Nepal, and Bhutan, as well as in North America, the UK, Germany, France, Switzerland, and Australia. Canada is home to 9,600 people of Tibetan descent. Most Tibetans practice Tibetan Buddhism, which is Buddhism mixed with the shamanistic religion of Bon. Joshua Project estimates that the percentage of evangelical Christians among Tibetans is close to 0%. Pray for a spiritual breakthrough for Tibetans, that many would come to Christ!
