JULY 26th 2026

Asia | Pray with Drew and Destiny for Tibetans all over the world to read the Bible. July is Tibetan Heritage Month in Ontario. Pray that the Tibetan Bible will be read and understood, and that there will be spiritual hunger for the Truth. The Tibetan Bible has been given to many monks and lamas (high officials) over the past decade. Pray that they will be compelled to open and read the Bible and that God will speak to them through His Word.

Least-Reached People Group | Moken—The Moken people are a nomadic people from Myanmar and southern Thailand. They depend on the sea and are also referred to as the Sea Gypsies. Some of the Moken people follow Buddhism, while others follow traditional religions. Pray for opportunities for Christians to reach the Moken people with the Gospel, and that their hearts would be receptive to the message.

Global Ministries | Pray with Global Ministries for Re-Entry Retreat and ReBoot, which begin at the end of this month and continue into the beginning of August. Re-Entry Retreat (run by The Alliance staff) is for international workers (and their children) returning for Home Assignment. ReBoot (run by a network of caregivers) is for high school graduates and helps them prepare for independence and their return to life in Canada. Pray for the leaders as they plan and for the attendees as they arrive back in Canada and quickly transition into this time of retreat and development. Pray that this will be a good time of community building and emotional healing.

Japan | Pray with Joze and Jocelyn for the Japanese people, the second-largest least-reached people group in the world. Pray for Japanese Christians who faithfully serve but struggle to balance ministry with their own well-being and that of others. Pray that they would integrate their ikigai (purpose for living) with their trust in King Jesus, becoming people of purpose who flourish in both faith and life.
