Alliance Churches | Pray for the leaders and church communities of Surrey Alliance Church, New Life Alliance Church, and Spanish Alliance Church in Surrey, BC, and Vernon Alliance Church in Vernon, BC. Surrey Alliance Church and Vernon Alliance Church have experienced fires in recent weeks, causing significant damage to their buildings. They are grateful that no one was hurt in either situation, but all churches are sorting out alternate arrangements for holding services. Pray for the leaders as they navigate these challenging days and for the congregations to be united as they walk through these losses while continuing to minister to their communities.

Senegal | Pray with Nikki Howell as she and her team are onboarding four Alliance international workers from Central African countries who are in Senegal to engage least-reached people groups. Their first month has gone well. Pray that they would continue making strides in learning the language and culture, and that they would communicate smoothly as a multicultural team.

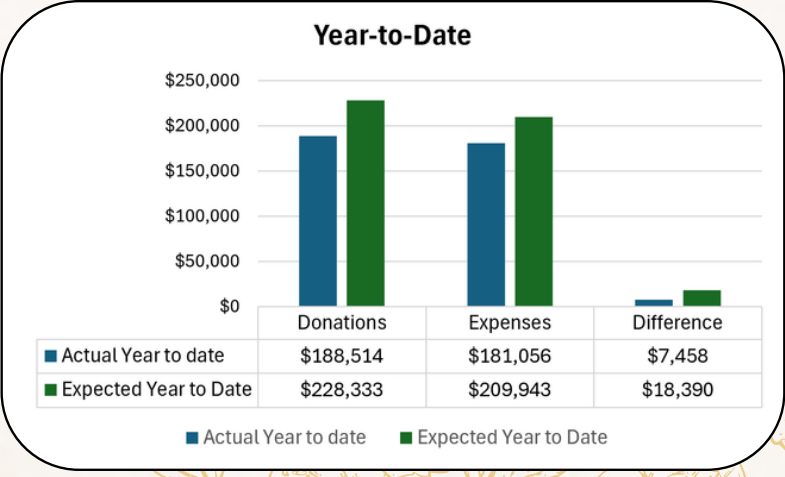

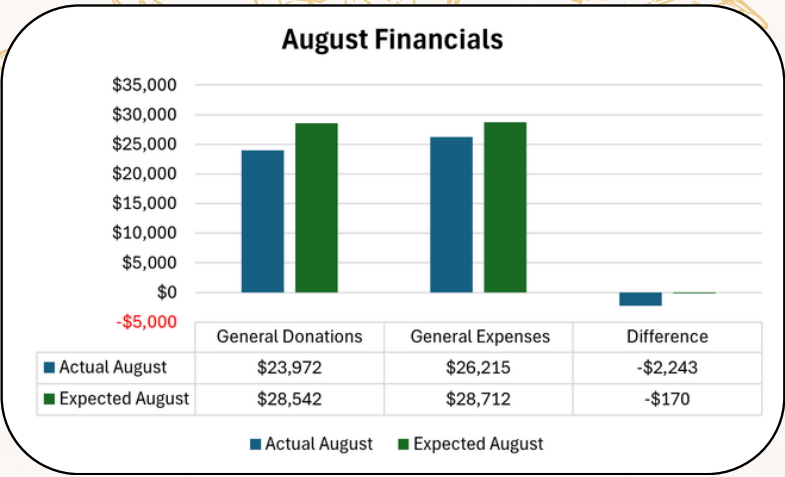

Japan | Praise God with Kat for His work and protection over the Renew Conference last month. Pray that, as the students have returned to their respective cities, they would continue to grow in their desire to live for Jesus and be a light in their communities. Pray that God would strengthen their faith and boldness, and that they would not forget the things He spoke to them during Renew.

Least-Reached People Group Focus: Tibetan | The majority of Tibetans live in China, but there are also significant populations of Tibetans living in India, Nepal, Bhutan, North America, the UK, Germany, France, Switzerland, and Australia. Canada is home to 9,600 people of Tibetan descent. Most Tibetans practice Tibetan Buddhism, which is Buddhism mixed with the shamanistic religion of Bon. Joshua Project estimates that the percentage of Evangelical Christians among Tibetans is close to 0%. Pray for a spiritual breakthrough for Tibetans, that many would come to Christ!

Japan | Pray with Jocelyn and Joze for the Japanese people, the second-largest least-reached people group in the world. Pray for Japanese Christians to courageously represent King Jesus among family, friends, and co-workers, inviting others into a covenant community shaped by His love and committed to righteousness and justice. Pray that they would walk alongside the marginalized, including NEETs, hikikomori, and the unhoused, and work with others to ask whether Japan's relationships, institutions, and economic systems enable human flourishing.
