AROUND THE CORNER
AROUND THE WORLD
MISSION RESOURCES SITE: WWW.GLOBALVAULT.CA

International Workers | Pray with Global Ministries for the emotional health of international workers and their children. The challenges of living between two cultures can mean increased grief or loneliness at times. There is also spiritual attack on the emotions of these households. Pray for international workers to become more attentive to their own emotional health. Pray against the enemy's attempts to discourage or divide these families. Pray as well for the network of care providers who come alongside international workers and their families in times of emotional need.

Children of International Workers | Pray for children who are dealing with grief on different levels, whether through the loss of a loved one, being separated from friends and family due to moving, or the loss of conveniences or activities they no longer have access to.

South Asia |Pray with our ministry partner, [Un]Reached Global, as they prepare for a well-known festival that symbolizes the victory of light over darkness. Pray that our brothers and sisters will be able to share the true Light found in Him. This festival is also often celebrated in other parts of the world. Pray that He would use each one of us to share His Light in our own communities during this time.

Least-Reached People Group Focus: Arab Diaspora | Canada, like many other nations, has a substantial Arab diaspora population (approximately 1 million). Many have ancestral roots in countries such as Egypt, Syria, Jordan, Palestine, Lebanon, and Iraq. The vast majority of Arabs are Muslim. Pray that the underground fellowships of Arab believers would persevere and bear witness to the Gospel, even through suffering and persecution. Pray for a greater spiritual harvest among the Arab Muslim diaspora through dreams, visions, and faithful Christian witness.
