

Dear Brooklyn Church Family, including friends and affiliates;

Our nation is moving into a new phase as together we figure out how to live with the presence of this coronavirus. As a church we want to be faithful to God's call to preach, worship, and serve people in the community.

We really miss having everyone together for Sunday School, fellowship, and worship. We miss all of our Bible studies together and so much more. We are praying that all of this can be resumed in the near future.

We are doing our best to serve you all and help you grow in the Lord. We have upgraded our website, provide livestreamed services, a daily devotion, our newsletter, and other resources online. Please visit the website regularly.

<https://brooklynefc.org>

We have postponed our Sunday School and fellowship time until September. For the foreseeable future we will continue recording our worship service at 9:30am Sunday. It should be available online then or shortly thereafter.

If you wish to attend, you are welcome to do so. We will have a doorman, but no greeters. If you come, you and your family need to respect the space around others, sit 6 ft. from other worshippers, and keep your children with you. We will not have nursery or children's church. Please worship at home if anyone in your family is not feeling well.

If you are elderly, have health issues, or are caring for someone, you may need to worship at home. We understand. You are not less spiritual for doing so. The last thing that we want to do is to cause someone to be in a situation where they do not feel safe or that is unwise for them. You are no less a part of the Brooklyn church family. Please let us know how we can continue to serve you.

It is important for you that you spend regular time in the Word and in worship, stay in touch with other believers, and remain devoted to prayer. Please call me if you would like a visit or just need to talk about something. It is difficult for me to know who needs to visit and who wants a visit.

We are praying for you and your family.

May God bless you,

Pastor John Mochel
