COMMITMENT.

Through prayer and the power of the Holy Spirit, I commit to...	Agree	Disagree
...work towards embracing new concepts or different ways of approaching things and giving the process the benefit of the doubt.		
...work towards speaking my heart and taking risks to share my thoughts.		
...taking responsibility for my learning and growth. If I feel uncomfortable or sense I am off track, I will let the leadership team know and ask for what I need.		
...work towards eliminating or modifying self-defeating behaviors that limit my success (blaming, excuses, etc.)		
...work towards celebrating others' successes, as well as my own.		

Filled with love for Jesus and having a desire to serve Him, I commit to the process of Transformational Discipleship for 18 months beginning October 21, 2022.
