## What we are teaching this month on Sundays:

**Our Preschoolers (2's-4's)** will be learning that God will give us people to help, and people to help us!

“Two people are better than one. They can help each other in everything they do.” Ecclesiastes 4:9

**K - 5th graders** will learn about Commitment—making a plan and putting it into practice.

“Training the body has some values. But being godly has value in every way. It promises help from the life you are now living and life to come.” 1 Timothy 4:8

## What we are teaching this month on Wednesdays:

For K-2nd grade we are walking through the Bible focusing on major stories and events throughout the Bible.

For 3rd–5th grade we are looking at major stories and parables in the book of Matthew

We will also be placing a heavy emphasis on memorizing bible verses this year with a new verse every month!

This month we are collecting change for First Coast Women's Services. Grab a baby bottle from the Outreach bin in the lobby and return it full of change to the bin by Father's Day, June 20th. Your change can impact the world, one heart and one life at a time.
