## INITIATIVE

Dear Friends and Partners in Ministry,

The OVERFLOW Initiative is a God-sent and God-sized vision to reach the next generation and new families pouring into the growing communities around us. What part does God want you to play in helping us reach our potential of facing this immediate challenge with courage and God's strength?

Over the last 24 years, Creekside Christian Church has had thousands of families worshipping and growing in faith regularly. We've given \$2.3 million to Missions locally and around the world. We have given over \$200,000 to meet benevolence needs. Almost 2,000 people have been baptized into Christ. Dozens of students have gone to Bible College, with several now serving in full-time ministry. We have helped to start churches abroad and locally. We have ministered to persecuted Christians and political refugees through our partnership with Safe Havens Ministry. Each year around 100 preschool students and their parents from the community are exposed to the gospel in our Modulars. Hundreds of families have been exposed to Biblical stories, testimonies, and life transformation through Creekside Sports leagues and camps.

We are standing at an exciting moment of opportunity! By moving forward with strength and vision to replace temporary modulars and enhance our facilities, we will ensure that the vibrant ministry at 92 LIFESPRING WAY continues to flourish. This is not just about buildings, it's about creating space for the ongoing, dynamic OVERFLOW that has defined our story of faithfulness. And we know this: our God is GREAT, and the calling on these 30 acres has always been rooted in FAITH, HOPE, and LOVE.

Time and time again, the people of this church have responded positively to God's call and taken bold steps of faith to meet physical needs that are critical to spiritual vitality and growth. I am extremely excited about the future of our church and grateful to join with you in this OVERFLOW Initiative. Thank you for your partnership in the challenge and OVERFLOW of His generosity!

Gratefully,

*Chuck Peterman*
