CREEKSIDE CHRISTIAN  
CHURCH

*Dear Church Family,*

We believe God is inviting us into a holy moment. The Overflow Initiative is not simply a step forward for Creekside—it is a response to what God has already been doing among us and in the growing communities around us.

This is about creating room for lives to be changed, for faith to be awakened, and for the next generation to encounter Jesus in powerful and lasting ways. As we strengthen our ministry spaces, we are preparing the ground for God's grace to continue overflowing—into our children, our students, our families, and far beyond these walls.

I invite you to pray boldly and listen closely for how God may be calling you to participate. When we move together in faith, trusting His provision and promises, I am confident He will do more than we can imagine—multiplying our obedience into lasting impact.

Thank you for walking this journey with faith, generosity, and hope!

With deep gratitude,

*Chuck Peterman*

Lead Minister,  
Creekside Christian Church

# Why Overflow Initiative?

*For more than two decades, God has used Creekside Christian Church to transform lives, strengthen families, and impact our community and the world.*

Thousands have worshiped and grown in faith here. Nearly 2,000 people have been baptized into Christ. Millions of dollars have supported missions and benevolence needs. And countless children, students, and families have encountered the gospel through programs, sports, camps, and partnerships that reflect Christ's love and compassion in action!

Today, our community is growing rapidly — and so is the opportunity before us. The Overflow Initiative is about creating space to reach the next generation and to continue the vibrant ministry God has established on this 30-acre campus. It is time to finish the good work, which was started. Replacing temporary modulares and enhancing the facilities isn't just a construction project; it is an investment in faith, hope, and love that will allow ministry to thrive for years to come. It is our vision to see an obvious overflow of Christ in every life! We believe God is calling us to step forward with courage, generosity, and vision so that His grace may "overflow...in every good work."

*"And God is able to make all grace abound to you, so that having all sufficiency in all things at all times, you may abound in every good work."*

2 Corinthians 9:8

# THE PLAN

*The Overflow Initiative focuses on expanding and strengthening our permanent ministry footprint through two key priorities:*

## CELEBRATION GOAL OF \$3.6 MILLION

A Multi-Generational Classroom Building & Student Center Enhancement — providing dedicated, long-term space for children, students, and families to learn, worship, and grow together. This includes removing temporary modulars, the construction of an 8,600 square feet addition to the Worship Center with classrooms, and much needed renovations to our existing Student Center. This adds an additional 1,200 square feet of facility space for ministry and allows our Preschool to move into the Children's wing. Ministries including: kids' classes and spaces, student small groups, adult bible studies, support and care groups, amongst other weekly activities!

Renovations in the Student Center to enhance the shared Gymnasium space for student gatherings: worship, teaching and small groups, a new dedicated lounge area, as well as athletic and recreational space for all of Sports Ministry. These renovations would relocate the Church reception area and centralize staff offices.

Part of finishing the good work also includes replacing temporary signage on campus with a more permanent and welcoming monument sign, and clearing land to increasing the visibility of our Church to the community.

## DREAM GOAL OF \$5.6 MILLION

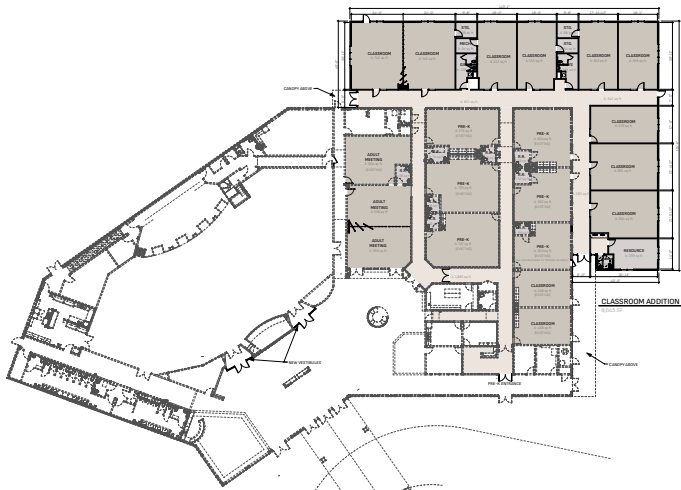

Leveraging Debt Reduction for Greater Ministry Impact — aligning our resources to fuel the mission, outreach, and future opportunities.

This initiative journey includes key milestones such as prayer gatherings, vision events, Commitment Sunday, and Celebration Sunday as our church family steps forward together in faith. Every household is invited to participate by praying, giving above and beyond regular giving, and considering courageous, consistent, and creative generosity — including 25-month commitments and non-cash gifts — so that together we can build the future God has placed before us.

*Pray* that God will open our hearts and minds to what can be done with the Overflow Initiative.

**For You:** We've been saying, "Jesus must become greater, and we must become less." But are we willing to make His mission greater than our own? Giving up "stuff you love" for a God you love more will put you on that path! Simply put, if you want to see God show up in your life, give generously and courageously.
