

GIVING PLAN

Where Should You Give?

The Bible does not spell out in detail where we should give, but we can discern certain guidelines for our giving.

1. We should give to our local church. The local church is God's unique movement in our world. It is our opportunity to provide for those leading the church (1 Timothy 5:17-18) and to support its' missionaries (Philippians 4:15-19).
2. We should also give to the poor. God has a special concern for those in need (Matthew 25:34-40) as well as widows and orphans (James 1:27)
3. God has told us that we are to set aside a sum of money that is in proportion to our income that is to be used to support the work of the church. (1 Corinthians 16:1-2)
