Community Groups are the best way for anyone to connect here at NBC! This is your opportunity to get to know the people you worship with while dissecting Sunday's sermon at a deeper level. Visit our website (nbcsj.org/CommunityGroups) to find the group that best fits your schedule - we have groups on Sundays, Mondays, Tuesdays, Thursdays, and Fridays! Got questions? nbcsj.org/contactus

You could fill a swimming pool with blogs, articles & books on the topic of The Church. Opinions and experts abound. Is this all this simply open for discussion or are there standards we must adhere to? Yes.

Church is God's idea. He has given us clear instruction AND freedom to vary. This has allowed people though the ages to *adjust* forms while *adhering* to Truth. From Pentecost to present God has been growing, instructing, protecting, sustaining, cleansing and pruning the Church.

While there is really only one **Church** (made up of all who are adopted into God's family through the saving work of Jesus) there are many **churches** (local, visible expressions of this reality). What would it look like to thrive as a church?! How would it transform our neighborhood if we were fit and faithful? How amazing is it that God has allowed US such room to create, serve, play, strategize and work within the parameters he's provided?

Church is God's idea. This series is a call to have the mind of God on *being* and *doing* church his way. As we look to the Bible, we anticipate being reminded, rebuked and rekindled as the people of God. God help us to share his mind, maintain the same love, unite in Spirit and get intent on one purpose!
