Although Steve and Eida Irwin live in El Paso, TX, they travel far and wide to serve. As a translator for New Tribes Mission, Steve travels throughout Latin America to train and help Spanish-speaking missionaries. They also travel to serve their family. Their daughter, son-in-law, and grandchildren live in Nova Scotia, and their son and daughter-in-law live here in California. We hope many of you had the chance to meet them when they were here just before Christmas.

As parents, we have been given a blessing in our children. We have also been given the responsibility to teach them how to follow Jesus. Dedicating your child is a way of publicly declaring your commitment to that responsibility and also asking for help from your church family. In dedicating your child, you will get the opportunity to commit to teaching your child God's Word, and you will also hear the congregation commit to helping you!

If you want to dedicate your child(ren), sign up on The City and you will be contacted by a staff member.
