

If things are same 'ol, same 'ol for you as a Christian, ponder the direction of your life. We are the followers of Jesus and He seems to constantly lead us onward. Maybe this is what pushes us to walk by faith and not by sight. In this Fall season, you are being invited to take it off.

NEW to Community Groups? *Take off your coat and stay a while.*

Community requires commitment and we are convinced that if you will devote yourself to other Christians, Jesus will use that to grow you up in Him and assist others on their journey.

VETERAN to Community Groups? *Take off your mask & risk being known.*

As an act of worship, open your life to others. Move beyond faithful attendance, Bible talk and pleasantries. Refuse to settle for what is seen as normal and pursue the picture of togetherness shown in the Scriptures.
