Many people know the holidays are a time of giving. However, sometimes they don't know how or where to give. Or they give, but they're not doing something they're passionate about. We've tried to solve both problems for you below! We've collected some different opportunities, and you're invited to be a part of as many or as few of them as you want!

You will find basic information below. For more details, see the point person mentioned, or visit [nbcjsj.org/holiday](http://nbcjsj.org/holiday)
