New?

We are so glad you're here! Whether you're new to a relationship with Jesus, looking for a new church home, or just wanting to learn more about Christianity, this is a great place for you! Get your kids checked in, grab a seat, and meet someone around you! Then use the 3 items below to get more involved!

3 Ways To Connect

1. **The City** is our church's online community where you can develop real relationships every day of the week. Connect at nbcsj.org/thecity
2. **Sundays.** Come back next week as we sing together, explore God's Word together, and live life together. And be sure to come back on the first Sunday of month, when we all have lunch together at noon!
3. **Community Groups** are where we grow with others, sharing the joys and struggles of our daily lives. nbcsj.org/communitygroups

Kids

Check your kids in TODAY in our foyer for a fun, relevant, and educational Sunday School program that they will love! See the chart below for the specific story being covered today and next Sunday.

We offer childcare for our nursery and PreK aged children during the 9:00am and 10:45am service.

If any of your kids are elementary age (K-5th), keep them with you, and we will dismiss them to their classes after about 15 minutes of family worship, except on the 1st Sunday of the month, or on some special Sundays, where your whole family gets to worship together. To learn more about our kids ministry, visit nbcsj.org/Children.

Youth

We have active and relevant ministries for middle school students, high school students, college students, and young adults! Most of what we do happens during the week:

- **Middle school students** meet on the 1st and 3rd Tuesday of every month at the church from 7 to 9pm, where they play games, hear a lesson, and meet in small groups to talk about life, God, and pray for each other! We also meet on the 4th Sunday of the month during the 9am service.
- **High school students** meet on the 2nd and 4th Tuesday of every month at the church from 7 to 9pm, where they play games, hear a lesson, and meet in small groups to talk about life, God, and pray for each other!
- **All youth** are encouraged to serve in various ministries at the church on Sundays! For different service opportunities at NBC, visit nbcsj.org/in-our-church

Adults

We have community groups and events tailored for both men and women! For more info, visit...

Middle and high school students - use your unique gifts as we give a tangible gift to our church. It's like we're writing the church a letter and signing it "Love, Youth".

THE NEED

We have lots of families at NBC. Those families have kids, which can sometimes prevent Mom & Dad from being involved. On Thursday nights, there's three ways for adults to be involved - the band, a women's CG, and a men's CG. We want adults to be able to bring their kids, drop them off, and participate in these ministries. We also want kids to look forward to a fun evening with their church friends in a different setting than a Sunday School class.

THE OPPORTUNITY

We want YOU to use the gifts God has given you! We will be pairing up 1 High Schooler with 1 Middle Schooler to create a night for the kids that will be as unique as your personalities. From 6:30-8:30pm each week you'll come up with games, skits, crafts, activities, etc that will be amazing. All the while, you'll be building ties as youth serve together.

Check your email this afternoon for more details and to get signed up! We start February 15!

Use Your Musical Gifts!

Did you know that we are in need for some musical gifts for electric guitar, acoustic guitar, and bass players?

If you are interested, please follow these steps to get involved:

- Step 1: Contact Rob Collins at rob@nbcsj.org Describe talent or skill and schedule either a quick meeting to review the talent or skill or attend one of our rehearsals for an audition
- Step 2: Determine length and frequency of commitment as well as read and agree to the band expectations/Band Commitment Form will be signed and filed.

Note: Band commitments are not permanent. We hope to revisit them periodically to check in and see how our team is doing. Seasons of life come and go and commitments need to be readjusted.
