SF City Impact 2018

From June 11-16, we are taking a group of high schoolers on a missions trip tailored just for them. We are going to San Francisco to work with people in the Tenderloin District, one of the poorest areas of the state. We will be serving meals, organizing and distributing donations, teaching students, and praying for people who need some love. We need your help to make this trip possible! There are two ways you can help out:

- Pray!** We need prayer for safe travels, team unity, courage, opportunity, and hearts open to receiving the Gospel.
- Donate!** You can give directly to the church. Your donation is tax-deductible, and it will help tremendously! Make checks payable to Neighborhood Bible Church and put SF City Impact in the memo. Drop your check in the offering any Sunday, or bring it by the office. We will also have a shirt waiting in the back that you write your name down on a certain amount and that's how much you pay. If we get that completely filled out, half of our entire trip will be funded for.

If we raise any extra money, it will be donated directly to SF City Impact to further their ministry. Thank you in advance! Your generous donation will help students draw closer to Jesus and will have an impact on our neighbors in the Tenderloin!

New?

We are so glad you're here! Whether you're new to a relationship with Jesus, looking for a new church home, or just wanting to learn more about Christianity, this is a great place for you! Get your kids checked in, grab a seat, and meet someone around you! Then use the 3 items below to get more involved!

3 Ways To Connect

1. **The City** is our church's online community where you can develop real relationships every day of the week. Connect at nbcsj.org/thecity
2. **Sundays.** Come back next week as we sing together, explore God's Word together, and live life together.
3. **Community Groups** are where we grow with others, sharing the joys and struggles of our daily lives. nbcsj.org/communitygroups

Kids

Check your kids in TODAY in our foyer for a fun, relevant, and educational Sunday School program that they will love! See the chart below for the specific story being covered today and next Sunday.

We offer childcare for our nursery and PreK aged children during the 9:00am and 10:45am service.

If any of your kids are elementary age (K-5th), keep them with you, and we will dismiss them to their classes after about 15 minutes of family worship, except on the 1st Sunday of the month, or on some special Sundays, where your whole family gets to worship together. To learn more about our kids ministry, visit nbcsj.org/Children.

- **High school students** meet on the 2nd and 4th Tuesday of every month at the church from 7 to 9pm, where they play games, hear a lesson, and meet in small groups to talk about life, God, and pray for each other!
- **All youth** are encouraged to serve in various ministries at the church on Sundays! For different service opportunities at NBC, visit nbcsj.org/in-our-church
