Questions for the Community

1. What part have fears played in your life story? (a big terrifying event, abuse while growing up, financial/ health, etc...) Are there any fears you've overcome?
2. Who are the following people in the Bible afraid of? How do you know what they feared?
 - Pilate
 - Judas
 - Peter
3. Here are some other examples of "Do not fear; fear" (Ex. 20:20; Neh. 4:14; Luke 8:50). What is the relationship between fear and faith? Does the Bible and your real world experience align?
4. In what ways is fear dishonoring to God? How does Godly courage show off His greatness? Thank our conquering God for his might. Receive his grace and forgiveness for your timidity. Claim and walk in the life he's given you in Christ (2 Tim. 1:6-7).
5. God is for us and God is with us (Is. 41:10 & Matt. 28:20). How does this affect your days as you "work out your salvation *with* fear and trembling" (see Phil. 2:12)?
