

Sorrow

(TURBULENCE~ CAMPING IN DEATH VALLEY)

2 Cor. 7:6-11 // October 9, 2016

Intro

God is faithful in sorrow

PAUL: 2 Cor. 7

JESUS: John 11

You be faithful in sorrow

***HOMEWORK:** Read John 10 and Ez. 34 this week before Community Group. Note God's revealing Himself as a shepherd.

Questions for the Community

1. Discuss your sadness. Try to come up with 3 words that further define your grief other than ones you typically use. Ask God to search your heart and see if there is pain and sorrow lodged in places you've covered up.
2. Discuss the teaching of Paul (2 Cor. 7:6-11) and Jesus (John 11) regarding grief and sorrow. What stood out to you from Sunday? What questions or comments does it raise for you?
3. Discuss your reading this week off John 10 and Ez. 34. Once you include Psalm 23 to the mix, you get an even bigger picture of God's heart and will for His sheep. What do you get from these truths? How can you let it affect your own grief?
4. Pray over the heavy burdens of sadness that exist in your group. Be willing to come around those who are sad today.
